

Grid Race

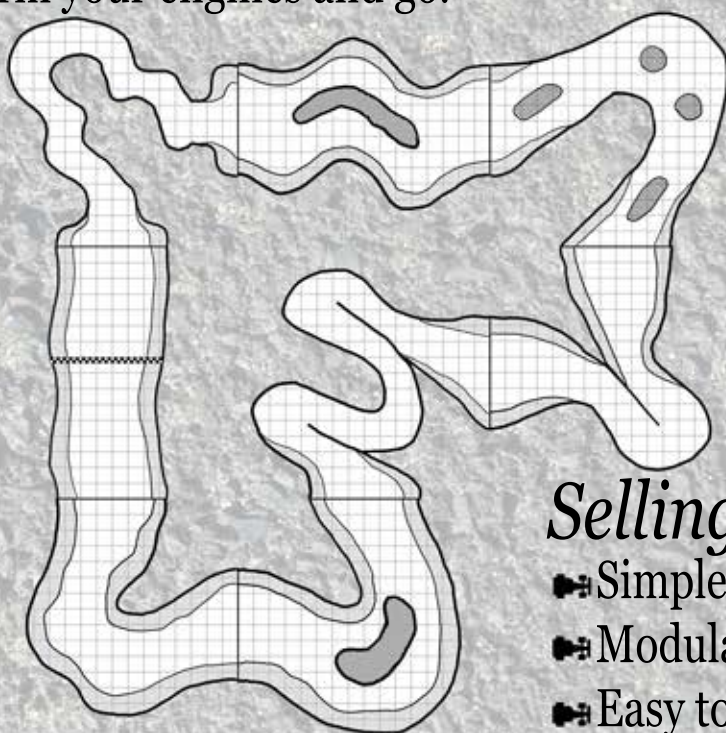

Short Description

Welcome to the race tracks. Being a race car driver is not a simple task, especially in this twisted track with spilled oil over it. Can you control your car and maneuver it to victory?

Create the race track from 6-12 sections depending on how long the race should be. Add oil spills depending on how hard you want the race to be.

Warm your engines and go.

2 - 6

6+

30 - 45

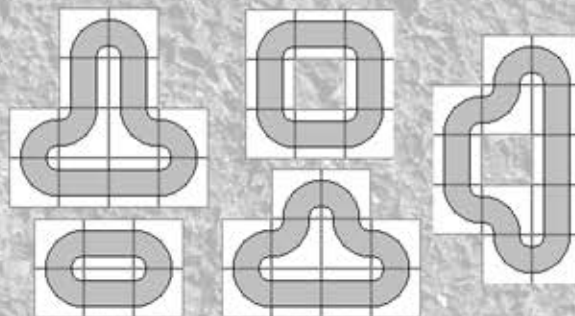

Selling Points

- Simple race game for all ages
- Modular board with tens of layouts
